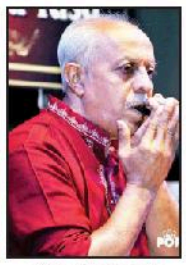
Vidu. M.R. Sudha and team to perform at Vasudevacharya's house

Vidu. Sudha

Vidu. Aditi

Vid. Radhesh



Vid. Ramesh

Mysuru, Jan.10- Senior musician Vidu. Mysore M.R. Sudha and her students will be paying tributes to Mysore Vasudevacharya by presenting a concert at Vasudevacharya's residence near Agrahara in city on Jan. 12.

Vidu. Aditi Krishnaprakash on violin, Vid. A. Radhesh on mridanga and Vid. V.S. Ramesh on morching will accompany the vocalist. The event starts at 10.30 am. For details, contact Mysuru R. Yadupathi Putty on Mob: 98802-55920.

Profiles

Vidu. M.R. Sudha comes from the music family of Vid. M.J. Srinivasa Iyengar, known to have been a torch-bearer of the 'Mysore Veena Parampare.' Sudha was initiated into vocal music by her father M.J. Ramaswamy Iyengar, a knowledgeable and well-informed vocalist. Later on she was brought under the tutelage of well-known vocalist and eminent music teacher Prof. Gouri Kuppuswamy, who came from the GNB school. Sudha, a B-High graded artiste of AIR, has been a regular performer both in Karnataka and outside.

She has sung at various Sabhas in Chennai, including Sri Parthasarathy Swamy Sabha, where she has won a prize for her performance during the Sabha's 100th year concert series. Vidu. Sudha has been a much sought-after music teacher also.

Vidu. Aditi is an accomplished and one of the leading violinists today. She took to playing violin at the age of 4 and has been a disciple of Vid. H.K. Narasimha Murthy. In 2011, at the age of 21, Aditi became one of the youngest violinists to receive 'A-grade' from the AIR.

Vid. Radhesh and **Vid. Ramesh**, from the PGL School, are both well-known percussionists in the State.

EDITOR'S BOTTOMLINE

THREE TYPES OF ENERVATION: ***People can derive God's blessings if they study sacred texts written by various saints and acharyas with deep faith and belief. Lord Siva is very simple and unassuming. Apostle Manicka Vasakar says Lord Siva calls upon people to accept liberation like street vendors who sell their wares.***

Lanka Sri Jeyaraj said in a discourse that no person is inferior. God sends all with equal innate talents and it is up to the people to use their intelligence effectively. It is not the intention of the Supreme Being to send the living beings to suffer only in this world. God is yearning and waiting to see people return to Him like honey bees that swarm flowers. God will automatically transcend down towards those who become refined. The lives of the various apostles and saints are the best examples. Emancipation from the tyranny of worldly things is the path to liberation, the gateway to immortality.

There are three types of weariness: physical tiredness, mental exhaustion and the soul's lassitude. Physical emaciation is the first stage, which can be relieved by resting the faculties. It does not affect the other two. If a person is mentally worn out, it may disturb him and through that, he may also be physically exhausted, but it won't affect the soul. Only the soul's exasperation will tire a person of worldly activities and seek liberation. The soul's tiredness will make both physical and mental strength feeble. Manicka Vasakar says he has taken various births such as grass, weeds, worms, insects, birds, trees, animals, snakes, ghosts, monsters and asuras and got exhausted *(pirandhu Ilaithen)*. ***He prays to Lord Siva through his work*** *Thiruvachakam* ***to extend His blessings and liberate him.***—*In The Hindu*

Designer creates world's largest sandal

Lekki: A British-Nigerian fashion designer took aim at a Guinness World Record by creating a massive sandal measuring 10 feet, 4.2 inches wide and 26 feet, 8.8 inches long.

Liz Sanya spent 72 hours constructing the giant clog-style sandal at Pixel Park in Lekki, Lagos, finishing her shoe on Jan. 4.

Sanya's finished clog has been submitted to Guinness World Records as the world's largest sandal.

The record is currently held by a team of artisans from Municipio De Sahauyo, Mexico, who created a traditional sandal measuring 10 feet, 1.65 inches wide and 24 feet, 5.31 inches long.

1978 Christmas gift found behind wall

Lombard: Christmas came about 46 years late for an Illinois man who was performing renovations at his childhood home when he found a present that had fallen behind a wall in 1978.

Tim King, 53, owner of T. King Construction Services in Lombard, said he was renovating the bathroom at his parents' house when he found something inside the wall.

King discovered a wrapped Christmas gift that had been intended for him to open on Christmas in 1978. He said his parents used to hide gifts in the home's attic and this one must have fallen into a crawlspace without anyone noticing.

King opened the gift in front of his parents, revealing a set of now-vintage Matchbox toy airplanes that his mother had no memory of buying.

'Grounding prevents electrical mishaps'

Mysuru, Jan. 10 (SPN&DM)- Karnataka Power Engineers Academy's Technical Journal Committee President U.S. Naik said that Earthing and Grounding are two key elements of power installations which safeguard the power systems from mishaps and other dangers.

He was speaking at a programme organised by Karnataka Power Engineers Academy (KPEA) at a private hotel here on Tuesday for the release of the books 'Electrical Earthing' authored by M.L. Sheshadri, 'Matte Matte Male,' a poetry collection by Hemanth Lingappa and 'Technical Journal' brought out by the Academy.

Maintaining that grounding is a must for ensuring that electrical systems are safe, Naik said that this will safeguard the systems from electrical accidents, fire and damages due to various factors.

Asserting that life is becoming increasingly inactive because of the excessive use of mobile phones, Naik stressed on the need for developing writing habits.

Books 'Electrical Earthing' by M.L. Sheshadri, 'Matte Matte Male,' a poetry collection by Hemanth Lingappa and a 'Technical Journal' being released by the dignitaries at a function organised at a private hotel in city on Tuesday.

" Apart from their daily chores and life, every person should try to know about the outside world and read books as it would help in enhancing our knowledge," he said adding that the strengthening of an organisation or association is the responsibility of every person which he/she belongs to.

CESC Managing Director G. Sheela said that apart from reading these books, their purpose would be served more if the contents of the books are implemented practically. Noting that the staff working at KPTCL stations do not have all the necessary technical information, she stressed on the need for imparting technical training on these matters.

KPEA President and CESC Technical Director K.M. Munigopal Raju in his address, said that the book contains a concise explanation about the technical aspects of Earthing. Asserting that Earthing is a very key issue in all power matters, he said that the book is useful for electric supply companies in other States too.

Observing that technical expertise seems to be less in the current situation, he expressed disappointment that job satisfaction among staff is becoming increasingly lesser these days.

KPEA Secretary M.H. Jagadish, Treasurer M.G. Halaswamy, Joint Secretary C. Dhananjaya, KPTCL Mysuru Zone SEE Rangaraju, Committee members B.C. Palanetra, M. Suresh, M.L. Rajojirao, P.R. Chennakeshavamurthy, C. Lokanath, G.V. Chalapathy, L. Karthik, S. Preetam, C. Basavanna, T. Maruthi, Ramesh, M.B. Chandrashekar, V.H. Venkateshappa and others were present.

Abandon the illogical bus terminal at Bannimantap

Implement Mass Rapid Transit System on Outer Ring Road

Sir,

The proposed bus terminal at Bannimantap has sparked intense public debate. There have been two other write-ups in *Star of Mysore* (***'Need to send DPR back to the Drawing Board'*** by Bhamy V. Shenoy and ***'A brand new bus stand in a very wrong new place'*** by Dr. K. Javeed Nayeem) expressing their perspective on the issue after R. Chandra Prakash first highlighted with his detailed analysis.

Chandra Prakash has validly pointed out the undesirability of the project, emphasising how it would compromise Mysuru's heritage and create traffic chaos in areas housing important buildings if implemented as per the Detailed Project Report (DPR) costing Rs. 120 crore.

Chandra Prakash has now reiterated his original contention, citing four reasons to support his argument, which were published in *SOM* on Jan. 9, 2025, under the title ***'Desi Problems Need Desi Solutions.'***

He proposed utilising the Outer Ring Road (ORR) as an alternative, calling it an eminently suitable and logical solution. Establishing a bus terminal within the city, he argued, would lead to an unmitigated disaster, given the immense traffic volume.

In fact, when the Mysore Agenda Task Force (MATF) was constituted in 2002, as Convenor of the Working Group on Road and Traffic I had suggested the same solution of utilising the ORR.

Exponential growth

To understand the scale of the problem, it is worth noting how the KSRTC bus fleet has expanded significantly over the past two decades. In 2002, the fleet comprised just 576 buses with 476 schedules. This has now ballooned to 8,934 vehicles, including 48 electric buses, without accounting for the surge in private vehicles.

In other words, fleet size has increased nearly 16 times. One can only imagine the levels of pollution and congestion Mysuru would face if a bus terminal were situated within the city limits.

At the current rate of Mysuru's growth, with Bengaluru reaching its saturation point and the enhanced connectivity provided by the Mysuru-Bengaluru Highway, Mysuru will face unprecedented growth pressures if the Government proceeds blindly with the present proposal.

MRTS eminently suitable

We had previously recommended implementing a Mass Rapid Transit System (MRTS) along the Outer Ring Road, which was under consideration at the time and remains the most logical solution. A detailed note was prepared, even suggesting the name of a technical expert for this purpose. To quote the first paragraph of the note:

"The motorised and pedestrian traffic has grown manifold over the last decade in Mysuru, as indeed in other parts of India. The rate of traffic growth is exponential, leading to significantly increased air pollution from vehicle exhaust emissions, frequent accidents resulting in loss of life and property, and traffic congestion and confusion on the streets, which the Police are unable to control."

We conducted a comprehensive study with recommendations for short-, medium-, and long-term implementation, covering all infrastructure sectors. Copies of this report were shared with the Government, the Mysuru City Corporation and the Police. The report, with its forward-looking perspective, remains largely relevant even today.

Mysuru, being a relatively small city renowned for its cultural and intellectual atmosphere and recognised globally as a heritage city, must protect its reputation. The authorities concerned must abandon the current scheme and take immediate steps to conduct a thorough traffic survey while initiating measures for the immediate implementation of the MRTS.

MRTS represents a sophisticated transportation infrastructure designed to address the mobility needs of a rapidly growing urban population. Unlike traditional modes of transportation, MRTS prioritises speed, efficiency and sustainability, making it a cornerstone in the creation of smart cities.

Lack of basic amenities in new layouts

CM orders separate meeting to address MUDA, MCC issues

Bengaluru, Jan. 10 (KMS& BCT)- Chief Minister Siddaramaiah expressed strong dissatisfaction over the deteriorating state of new layouts in Mysuru, highlighting long-standing issues such as poor maintenance and the lack of basic amenities like electricity, roads, and underground drainage.

Addressing the concerns of elected representatives and officials at a meeting this morning at his home office, 'Krishna,' in Bengaluru, the CM instructed authorities to convene a separate meeting with the Mysuru City Corporation (MCC) and the Mysuru Urban Development Authority (MUDA) to resolve these ongoing problems.

Siddaramaiah questioned the elected representatives, including Ministers, MPs, MLAs and MLCs from all political parties, for their role in the ongoing disorder.

NAMASTE: ***CM Siddaramaiah greeting the elected reps from Mysuru at the meeting in Bengaluru this morning.***

"You have been MUDA members for 20 years. Why did you allow this disorder to happen even when you were there on MUDA Board?" he asked.

CM's remarks came in response to the alarming situation where nearly 950 new layouts in Mysuru have yet to be handed over for maintenance, despite developers being responsible for ensuring provision of essential services such as roads, drainage and electricity connections.

The developers were expected to hand over the layouts to the urban local body after ensuring the necessary infrastructure, but the process has been delayed, leaving residents struggling with inadequate amenities.

MLAs and officials reiterated that developers had neglected their responsibilities, exacerbating the difficulties faced by the residents in these layouts. In response, the CM instructed the officials to call for a separate meeting involving MUDA and MCC to address these pressing issues and ensure that necessary steps are taken to meet the responsibilities in a timely and efficient manner.

The CM emphasised the need for better living conditions for the residents of these newly developed areas, underlining the importance of resolving the issue at the earliest.

The meeting was attended by Ministers Byrathi Suresh, Dr. H.C. Mahadevappa, K. Venkatesh, MP Yaduveer Wadiyar, MLAs G.T. Devegowda, Tanveer Sait, G.D. Harish Gowda, Anil Chikkamadu, T.S. Srivatsa, K. Harishgowda, Ravishankar, MLCs Dr. Yathindra Siddaramaiah, Dr. D. Thimmaiah, Chief Secretary Shalini Rajneesh, Additional Chief Secretary to the CM and Additional Chief Secretary, Finance L.K. Atheeq, Mysuru Deputy Commissioner G. Lakshmikanth Reddy, Zilla Panchayat CEO K.M. Gayathri, and other senior officials.

Devotees throng temples

(Continued from page 3)

Later, rituals such as *Naivedya*, *Mahamangalarati* and *Shatamorai* were performed, with priests offering sacred articles to the deity, seeking the Lord's abundant blessings for all. Thereafter, the temple was opened for *Dharma Darshana* at 6.30 am and Special Darshan (Rs. 50 ticket) began at 7 am.

Similar pujas and rituals were performed at ISKCON in Jayanagar, Sri Datta Venkateshwara Temple at Sri Ganapathy Sachchidananda Ashram on Nanjangud Road, Sri Kalyana Lakshmi Venkataramanaswamy Temple on Dr. Rajkumar Road in Kalyanagiri, Sri Yoga Narasimhaswamy Temple in Vijayanagar, Sri Lakshmi Venkataramanaswamy Temple in Udayagiri, Sri Rama Mandira in Jayanagar, Sri Lakshminarasimhaswamy Temple on Kalidasa Road and at all other Srinivasa and Vishnu Temples across the city.

The *'Vaikunta Dwara'*, which was specially created in temples, was opened for devotees after customary rituals. There is a popular belief among devotees that passing through the *'Vaikunta Dwara'* on this auspicious day will cleanse them of their sins and bring salvation and spiritual blessings.

Devotees believe that by observing this holy day with devotion and fasting, it opens the gates to *Vaikunta* (Heaven) and removes all their sins. Long queues of devotees were seen in all Sri Venkataramanaswamy Temples across city. The temples will be open for devotees till late night today. City Police had provided security around the temples and were seen regulating the crowd.

Shifting of Sub-Urban Bus Stand

Hoteliers, businessmen unite against Govt. move

Mysuru, Jan. 10 (RK&TRR)- A meeting convened by the Mysuru Hotel Owners' Association President C. Narayanagowda at Hotel Pai Vista this morning saw strong opposition from over 200 stakeholders regarding the State Government's decision to relocate the existing KSRTC Sub-Urban Bus Stand to Bannimantap KSRTC Depot land.

The meeting was attended by a wide range of businessmen from Maharaja Complex, located opposite the current Sub-Urban Bus Stand. The group included hoteliers, shop owners, professional consultants and owners of surrounding business complexes, all of whom expressed concerns over the proposed shift.

"Many businessmen, including hoteliers, jewellers, street vendors, shop owners, taxi operators, travel agents, and others, are dependent on Sub-Urban Bus Stand for their livelihood. Its proximity to important locations like colleges, the Taluk Office and other prominent areas makes it a strategic location for business," they said.

They further argued that relocating the bus stand to Bannimantap would cause severe inconvenience to public, negatively impacting hundreds of business families in the region.

Several speakers highlighted the challenges the shift would pose during Dasara and Vijayadashami procession that passes through Bannimantap.

The meeting adopted a resolution to oppose the proposed bus stand relocation and decided to present a memorandum to Chief Minister Siddaramaiah.

Kho Kho... Go!

Mysuru girl's journey from humble beginnings to the International Kho Kho Stage

Mysuru, Jan. 10 (VNS)- Every sportsperson dreams of donning the blue jersey to represent India at the international level in the sports of their interest. While some realise their dreams, others continue to strive hard. One such sportsperson, who realised her dream, is Mysuru's **B. Chaitra,** who has been selected to represent the Indian Women's Kho Kho team at the upcoming World Cup to be held in New Delhi from Jan. 13 to 19.

Chaitra has created history by becoming the first girl from Mysuru district to represent the Indian Women's team at the first ever Kho Kho World Cup. She is also the only player from South India to be selected for national women's team. Her selection has come as a biggest birthday gift as Chaitra celebrated her birthday on Wednesday (Jan. 8).

Having come from a humble background, Chaitra started to play kho kho at her native village Kuruburu in T. Narasipur Taluk. Her dedication towards the sport made her to represent the State and National teams. She was also one of the members of University of Mysore Women's Kho Kho team which won the gold medal at All India Inter-University Kho Kho Championship-2022 held in Mysuru.

Speaking to *Star of Mysore* this morning, Chaitra said that it was the biggest achievement of her life till date and added that winning a gold medal in the upcoming Kho Kho World Cup would be a great achievement.

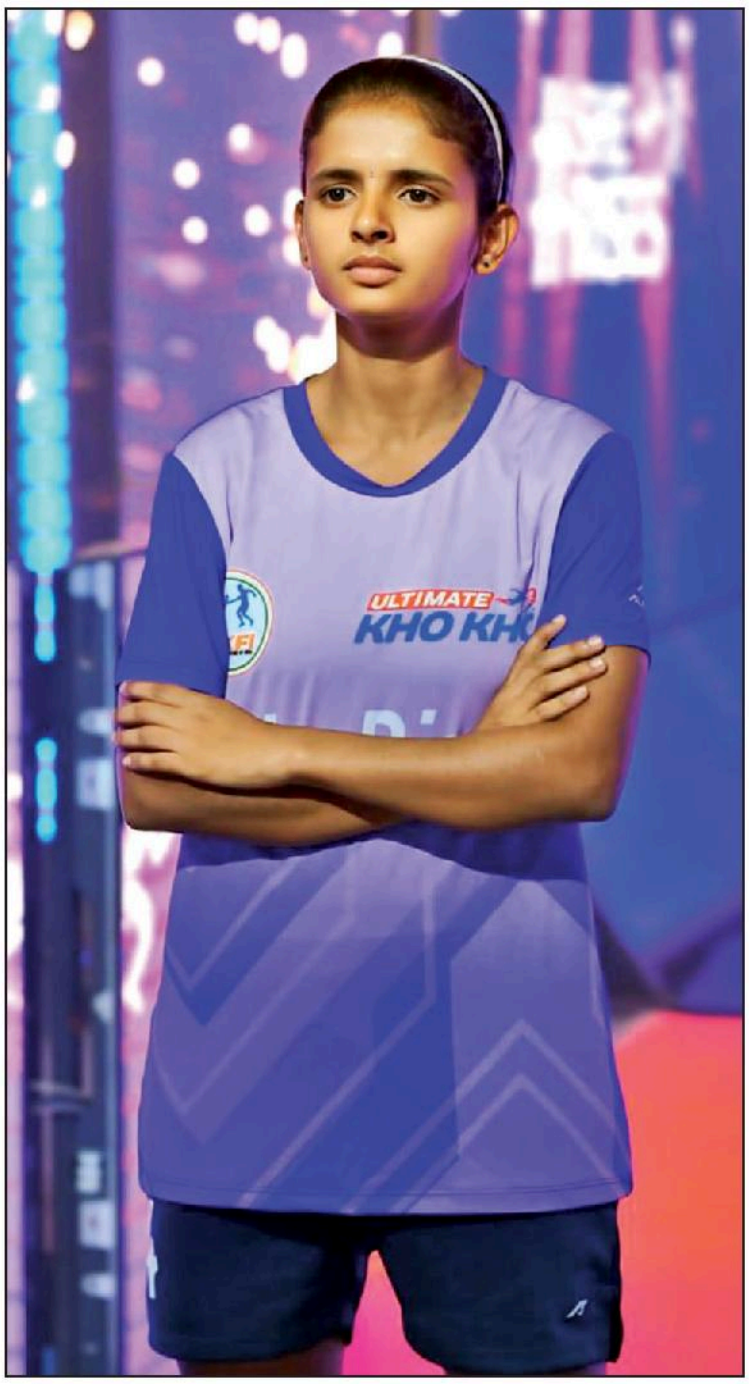
"It is because of my coach K. Manjunath, I have been able to reach this level. I also owe a lot to my parents for encouraging me and instilling confidence," she added.

"We had been camping in New Delhi since a month and the team was announced yesterday. As soon as I got to know that I have been named in the team, I was overjoyed," added Chaitra.

It was not easy for Chaitra's family to encourage her in sports as they could not afford to even pay her school fees. However, one of their family friends, noticing her smartness, insisted the parents to admit her to a private school following which Chaitra was admitted to Vidyadarshini School in Kuruburu.

Having inspired by her elder brother B. Chethan, also a kho kho player, Chaitra developed interest towards the game and expressed her willingness to join the coaching classes. It was then she got introduced to Manjunath, a mathematics teacher at Vidyadarshini School, who also conducted kho kho classes. Noticing her potential, Manjunath encouraged her to work hard and as a result Chaitra has now been selected to represent the Indian Women's Kho Kho Team.

Chaitra is currently pursuing her II year B.PEd (Bachelor's in Physical Education) at Sri Shambhulingeshwara College in Pandavapura, Mandya district.



Chaitra's parents Nagarathna and Basavanna.

She is the proud daughter of a farming couple Basavanna and Nagarathna. Earlier, she completed her PU education at Vidyodaya PU College, T. Narasipur and Bachelor of Arts (BA) from PRM College in T. Narasipur.

Speaking to *SOM,* Nagarathna thanked Chaitra's coach Manjunath for encouraging and training her daughter to play at the international level. "At the time when Chaitra was a kid, we were not economically strong. In fact, we wanted to admit her to a government school. But it was because of a few people in the village, who insisted Chaitra to join a private school, we admitted her to Vidyadarshini School. We are very happy that our daughter has been able to achieve this remarkable feat," she added.

Chaitra's list of achievements is long. Being a recipient of Ila Award - 2017 (Best Sub-Junior Player) instituted by Kho Kho Federation of India (KKFI), Chaitra has represented the State in the Senior National Tournament, Khelo India Championship and University of Mysore (twice). She is also a part of Mandya University Women's Kho Kho team that has qualified for All India Inter-University Women's Kho Kho Tournament.

Mathematics teacher turns Kho Kho Dronacharya

K. Manjunath, a full-time Mathematics teacher, who turned part-time Kho Kho coach out of passion, at Vidyadarshini School in Kuruburu village, T. Narasipur taluk, is the talk of the town now, having nurtured some of the best Kho Kho players in the country.

He is getting accolades as the coach responsible for helping B. Chaitra make it to Indian Women's Kho Kho team.

An emotional Manjunath, who spoke to *SOM* this morning, said it was the outcome of 15 years of dedication. He further said, "As coaches, we only expect our students to excel to represent the country at the international-level. Chaitra being selected to represent the country and that too in the first ever Kho Kho World Cup is something which will be cherished by me for a long time."

Chaitra is not the only protege of Manjunath. Two other students, Monica and Nisarga, coached by him also took part in the recently held National selection camp in New Delhi but could not make it to the Indian team.

Sculptor Arun Yogiraj's sculpture exhibition

Tools used to carve 'Balak Ram' idol at Ayodhya Ram Mandir on display

Arun Yogiraj, his wife Vijetha and his team of sculptors, who were involved in sculpting Balak Ram idol for Ayodhya Sri Ram Mandir, pose with the idol of Lord Srinivasa on display at the expo here this morning.

The golden chisel, silver hammer used to carve out Balak Ram's eyes – Netronmilana – placed along with an iron hammer at the exhibition. Picture right shows the Ananda Tandava idol of Lord Shiva.

Mysuru, Jan. 10 (GA&BCT)- The silver hammer and golden chisel used by Mysuru-based sculptor Arun Yogiraj to carve the eyes of the 'Balak Ram' (Ram Lalla) idol at Ayodhya's Sri Ram Mandir are now on display at the Brahmarshi Kashyappa Shilpa Kalashaala on Sahukar Chennaiah Road in Gangothri Layout in city. The exhibition opened this morning and will run until Jan. 12.

The exhibition coincides with two significant dates: The first anniversary of the idol's creation (Jan. 10, 2024) as per the *Nakshatra* and the auspicious *Vaikunta Ekadashi*. Speaking to *Star of Mysore*, Arun Yogiraj noted that though the Ram Mandir was inaugurated on Jan. 22, 2024, through a *Pran Pratishtha* ceremony, the *Nakshatra* of the idol carving fell today, Jan. 10 and this prompted him to organise the exhibition.

"This exhibition will give people a fair idea of the laborious process involved in the sculpting of the idol. The task would not have been possible without divine intervention," he added.

The 51-inch-tall idol of 'Balak Ram,' carved from an azure-coloured *Krishna Shila* (black schist) also taken from Mysuru, depicts Lord Ram as a five-year-old standing on a lotus. This divine figure now resides in the sanctum sanctorum *(garbha gudi)* of the Ram Mandir.

The silver hammer and golden chisel were instrumental in the meticulous carving of the idol's eyes — *Netronmilana* — a process completed within a sacred 20-minute window.

Arun underwent elaborate rituals before starting the carving process, ensuring the deity's eyes exuded compassion and serenity. The idol is continuously capturing public admiration for its profound expressiveness.

The exhibition also features other works of Arun Yogiraj and team, including an idol of Lord Srinivasa, the *Peeta* (pedestal) made for Ram Lalla, a powerful *Ananda Tandava* idol of Lord Shiva, and a sculpture of Shivaji Maharaj in a seated posture.

Arun's wife Vijetha and the team of sculptors involved in creating Ram Lalla idol — Siddaraju, Jagadeesh, Nagaraju, Cheluvaraju, Ajay, Somanna and Yogesh — were present at the event, sharing details of their effort.

The pedestal carved by Arun Yogiraj and team for the Balak Ram Idol at Ayodhya. The Temple Committee chose a golden pedestal for the statue and Arun Yogiraj requested the stone pedestal be handed over to him, to which the Temple Committee agreed.

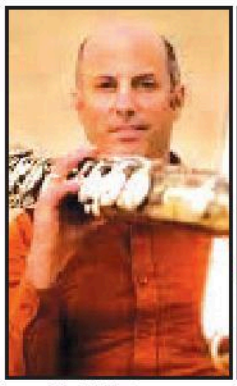
Grand Fusion Concert at UoM Fine Arts College on Jan. 11

Dr. Mysore Manjunath



Ned McGowan

Sumanth Manjunath

Pramath Kiran

Tumkur Ravishankar

Federica Colangelo

Sjahin Duringr

Laurent Peckels

Mysuru, Jan. 10- The Fine Arts College of the University of Mysore (UoM), one of the oldest and most prestigious cultural institutions in the region, is set to celebrate its 60th anniversary in a grand manner.

As part of the celebrations, the College is hosting a special fusion concert featuring internationally acclaimed musicians from around the world. This extraordinary musical event will take place on Jan. 11 at 11 am at the College Auditorium.

The fusion concert promises to be a unique and unforgettable experience, bringing together top musicians representing diverse musical traditions and genres. Audiences will be treated to a mesmerising performance featuring an eclectic mix of instruments, including violin, contrabass, western flute, mridanga, piano, Turkish percussion, Indian percussion, drums and bass.

Leading this stellar lineup are some of the most renowned names in the world of music:

Dr. Mysore Manjunath - Internationally celebrated violinist and maestro of Indian classical music from Mysuru.

Ned McGowan - A master of the western flute and global fusion from Netherlands.

Sumanth Manjunath - A rising star in the world of Indian classical violin and global fusion (Mysuru).

Pramath Kiran - A versatile percussionist known for his contributions to Indian and world music.

Tumkur Ravishankar - A mridanga virtuoso adding the rhythmic heart to the ensemble.

Federica Colangelo - Acclaimed Piano virtuoso from Italy.

Sjahin Duringr - A renowned Turkish percussionist whose rhythms transcend boundaries.

Laurent Peckels - A renowned bass player from Luxembourg and member of Luxembourg Jazz Orchestra.

This fusion concert represents a melodic confluence of cultures, traditions and musical sensibilities, creating a vibrant and harmonious atmosphere. The event is not just a performance but a celebration of unity through music, reinforcing the values of collaboration and artistic expression. As the primary academic centre for fine arts in the region, the UoM Fine Arts College has been instrumental in nurturing talent and promoting cultural exchange over the decades.

The 60th anniversary celebration stands as a testament to the institution's enduring legacy and continued commitment to fostering artistic excellence. The concert is open to the public, according to Prof. Anita Braggs, Principal, Fine Arts College.

Kannada play 'Yaaru ee Keechaka?' at Natana Rangashale on Jan. 12

Mysuru, Jan. 10- Kannada play 'Yaaru ee Keechaka?' will be staged at Natana Rangashale in Ramakrishnanagar on Jan. 12 at 6.30 pm. The play is written by K.L. Vishwanatha, a retired Kannada Professor and directed by K.V. Krishna Kashyap, a seasoned theatre artiste.

The play explores the process of character analysis, challenges well-known concepts and blends the fervour of Shringara (romance) and Veera (valour) emotions. The audience themselves are the ultimate arbiters of Keechaka's personality.

The producer and director anticipate the audience's reviews and deem that critical appreciation and encouragement will serve as the true accolade to their efforts.

The director himself plays the lead role in the production. Mysuru-based theatre artistes, including retired IAS Officer A.K. Monnappa, Dr. Madhuri Kulkarni, Badri Narayan and Anuradha Nandakumar, perform in key roles.

Students undergoing training at Natana Rangashale will be seen performing as young Bheema, Jarasandha, Keechaka and Duryodhana, who indeed are classmates in their childhood hermitic abode, learning and playing together. This adds an exciting and enriching element to the play, making it a delightful experience for all.

'Guru Vandana' by Vidu. Varshini

Dr. Kripa Phadke, Director, Nrityagiri Performing Arts & Research Centre, Mysuru, who was felicitated during the 'Guru Vandana' programme by her disciple Vidu. R. Varshini, is seen with (from left) *Varshini's father E.S. Radhakrishna, Addl. District Judge S.B. Kembhavi, DIGP (Southern Range) Dr. M.B. Boralingaiah, Karnataka High Court Judge Justice E.S. Indiresh, City Police Commissioner Seema Latkar, Vidu. Varshini, her husband Srinidhi K. Prasad and mother B.K. Kavita. On the occasion, Vidu. Varshini presented a Bharatanatyam recital. She was accompanied by R. Rajeev on vocal, Tanmayi Kishore on natuvanga, G.S. Nagaraj on mridanga and Raghu Simha on flute. Noted dance guru Dr. Ramamurthy Rao was among the august audience.*

MP reviews progress of Planetarium Project

Mysuru, Jan. 10 (BCT)- Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar conducted a site visit on Tuesday to assess the ongoing construction of a world-class Observatory (Planetarium) at the foot of Chamundi Hill in Mysuru.

The project includes the world's first dome-shaped Planetarium, currently under development at Sri Jayachamaraja Wadiyar Centre for Higher Learning, University of Mysore.

The civil works for the Planetarium and allied structures are progressing rapidly on a three-acre plot. Once completed, installation activities will begin immediately.

This project, part of COSMOS (Cosmology Education and Research Training Centre) initiative, is being developed by the Indian Institute of Astrophysics at an estimated cost of Rs. 90 crore.

During the visit, Yaduveer thoroughly reviewed the construction progress, emphasising the need for the project to meet the highest standards of excellence.

The Observatory is envisioned as a state-of-the-art facility for astronomical research and public education, further cementing Mysuru's reputation as a key hub for scientific and cultural advancements.

The project is funded through the MPLAD (Member of Parliament Local Area Development) funds of Finance Minister Nirmala Sitharaman. The Indian Institute of Astrophysics is executing it in collaboration with the Department of Science and Technology and the Department of Atomic Energy, Government of India. Sitharaman laid the foundation stone on March 6, 2022.

During the site visit, BJP General Secretary B.M. Raghu, along with several prominent party leaders from Mysuru, accompanied Yaduveer.

Renaming of Princess Road: RTI activist threatens legal action

Mysuru, Jan. 10 (BLU&BCT)- RTI activist Snehamayi Krishna has issued a strong warning, stating he will approach the Court if the proposal to rename Princess Road (KRS Road) after Chief Minister Siddaramaiah (as Siddaramaiah Arogya Marga) is forwarded to the Government without addressing the public's objections and sentiments.

"The Congress followers in Mysuru are determined to rename this historic road after Siddaramaiah, against the will of public. In doing so, they are disrespecting the royal family and undermining the contributions of Wadiyar dynasty to further their selfish political agendas," he said.

The road, currently named in the records as Princess Road in honour of Princess Krishnajammanni, has become a point of controversy. MLA K. Harishgowda has voiced his dissatisfaction, suggesting the road should be named after Siddaramaiah. He claimed that only a small stretch — from Dasappa Circle to Venkataramanaswamy Temple — was Princess Road, while the rest, up to Royal Inn Junction, is KRS Road and they would name this stretch after Siddaramaiah.

Krishna accused Harishgowda of twisting historical facts, asserting, "He is distorting heritage." Observing the proceedings of the Mysuru City Corporation meeting, Krishna pointed out that the order was not yet final, and the proposal would require Government approval.

"There's no reason for public to worry. However, if the proposal is sent to Government without addressing our objections and official records, we will approach the Court. We will preserve the name of the Princess and will not allow it to be renamed after Siddaramaiah, who is an accused in MUDA land grab case," he said.

Anti-party conduct: Action sought against former MP Prathap Simha

Mysuru, Jan. 10 (BLU&BCT)- Former BJP SC Morcha President My. Ka. Prem Kumar and former Chamaraja Constituency Vice-President Kumar Gowda have sought disciplinary action against former Mysuru-Kodagu MP Prathap Simha, accusing him of obstructing the work of current MP Yaduveer Wadiyar and engaging in anti-party activities.

In a written complaint to Mysuru District BJP President L.R. Mahadevaswamy, the duo alleged that Prathap Simha's actions have repeatedly undermined party unity and embarrassed BJP leaders.

They accused Simha of meeting Central Ministers and officials regarding certain issues on the Mysuru-Bengaluru Highway, tobacco farmers and submitting memorandums to initiate speedy works, sidelining current MP Yaduveer and creating a public perception of being influential even as a former MP. These actions have embarrassed MP Yaduveer and the BJP, they said and also cited issues where Prathap Simha is in direct conflict within the party. Supporting the renaming of Mysuru's Princess Road after CM Siddaramaiah was also cited as an instance of Simha's anti-party stance.

They alleged that Simha's involvement in protests against Waqf Board under the BJP rebel banner and not under the party banner embarrassed State BJP President B.Y. Vijayendra.

Additionally, Prathap Simha's repeated meetings with Union Minister of State for Railways V. Somanna over the Mysuru-Kodagu Constituency's matters unrelated to him were described in the memorandum as attempts to project undue influence, further obstructing Yaduveer's efforts.

The leaders claimed his exclusive campaign in Varuna during last Assembly polls, neglecting other Constituencies and divisive statements against lawyers during the Council elections, harmed BJP's prospects and led to defeat of M.V. Ravishankar. "By airing differences in the media instead of resolving them within party forums, Simha has repeatedly embarrassed BJP," they alleged.

Deer killed inside Bandipur Reserve; car driver arrested

Chamarajanagar, Jan. 10 (BCT)- A speeding car fatally struck a deer crossing the road near Kaggaladahundi in Maddur range of Bandipur Tiger Reserve, located along Kerala National Highway 766 in Gundlupet taluk. The incident occurred yesterday, prompting an arrest by forest officials.

The driver, identified as Zakir, aged 56, from Wayanad, Kerala, was driving a Swift car (KL-72-313) at high speed, travelling from Kerala towards Gundlupet.

The deer was crossing the road inside the Tiger Reserve. The impact was so severe that the deer succumbed to its injuries on the spot.

Forest officials, led by RFO K.P. Satish Kumar, quickly arrived at the scene, arrested Zakir and seized the vehicle. A case has been registered under the Forest Act and the accused has been remanded to judicial custody.

Officers said that despite several warning signboards asking the motorists to go slow inside the forests, Zakir was overspeeding and lost control of the vehicle.

As per protocol, the deer's carcass was incinerated to prevent further ecological harm. Forest officials have reiterated the need for caution while driving through wildlife corridors to avoid such tragic incidents.

Stray dog attack leaves four sheep dead; 10 injured

Mysuru, Jan. 10 (GA&BCT)- A pack of stray dogs attacked and killed four sheep, leaving ten others severely injured at Haropura village near Suttur in Mysuru.

The attack occurred at the sheep shed of Mahadeva Shetty, where the animals were tied. The village comes under Thayoor Gram Panchayat limits.

The stray dogs reportedly barged into the shed late at night and mauled the sheep. Prompt action by the villagers, who informed veterinarians, helped save two sheep.

Akshata and her team from Thayoor Veterinary Hospital arrived and provided emergency treatment and managed to save two sheep but ten sheep are in critical condition.

Haropura GP members Kumar and Sudha Manjunath visited the affected family, consoled them and assured them that compensation would be arranged through the Panchayat and Government channels.

The incident has heightened concerns among villagers about the growing stray dog menace, which is also causing fear among children. Residents urged authorities to take immediate steps to address the issue, ensuring safety for both people and livestock.

Traffic Police take out awareness rally

Mysuru, Jan. 10 (RK&KS)- As part of National Road Safety Month, Devaraja Traffic Police, along with students of Devaraja PU College, took out an awareness rally in city yesterday.

The students, carrying placards with messages such as 'Overspeeding will lead to death, do not drink and drive, Follow traffic rules to protect precious lives' took out a rally from Devaraja Traffic Police Station which passed through JLB Road, Shivarampet and Narayana Shastri Road before culminating at Devaraja Traffic Police Station.

Devaraja Traffic Inspector Mamata, Sub-Inspectors Chandrashekar and Shivakumar and staff took part in the rally.

Inner reservation: Advocate warns of complaint to Governor

Arunkumar

Mysuru, Jan.10 (GA&DM)- Karnataka Samajika Nyayapara Vakeelara Vedike President and senior city advocate S. Arunkumar has urged the State Government to announce inner reservation for exploited communities within the Scheduled Castes (SCs) reservation quota.

He warned of escalating the matter to the Governor if the Government fails to act by Jan. 28, as resolved in the State Cabinet meeting three months ago.

Addressing a press conference recently, Arunkumar accused the State Government of deliberately delaying the implementation of inner reservation for Madiga and other marginalised communities. He demanded immediate action, alleging that the Congress has been unjust to the Madiga community for the sake of vote-bank politics.

Highlighting the decades-long struggle for equitable representation, he referred to Apex Court's landmark judgement on Aug. 1, 2024. The judgement affirmed Constitutional authority of States to make sub-classifications within SCs, recognising them as socially heterogeneous group, to uplift those castes that are more socially and educationally backward.

He noted that following the Court judgement, the State Cabinet had deliberated on the matter on Oct. 28 and subsequently appointed a One-Man Commission, led by former High Court Judge H.N. Nagamohan Das, on Nov. 12 to gather data for implementing inner reservation.

However, Arunkumar criticised the Government for issuing a public notification only on Jan. 2, inviting suggestions, objections and records by Jan. 31. He questioned why data and vital statistics from the earlier Justice A.J. Sadashiva Commission Report, submitted in 2012 after a 7-year study, had not been shared with Nagamohan Das Commission. This delay, he argued, raises suspicions about the Government's intentions.

Demanding action by Jan. 28, he warned of Statewide agitation and a formal complaint to the Governor if the Government fails to deliver on its promise.

Vedike Vice-President M. Dasaiah, M. Shivakumar Beltur, Malappa Kurki, Boodithittu Rajendra and Chandrasena Sagar were present at the press meet.

Justice Dhananjaya Y. Chandrachud speaks at the 15th Convocation of JSS AHER

Justice Dhananjaya Y. Chandrachud, former Chief Justice of India, delivering the convocation address at the 15th Convocation of JSS Academy of Higher Education and Research (JSS AHER) in city this morning as Suttur Seer Shivarathri Deshikendra Swamiji and others look on.

Mysuru, Jan. 10 (BLU&BCT)- The 15th Convocation of JSS Academy of Higher Education and Research (JSS AHER) took place this morning at its Sri Shivarathreeshwara Nagar campus in Mysuru.

The event was graced by the Chancellor of JSS AHER, Suttur Seer Shivarathri Deshikendra Swamiji, along with chief guest Justice Dhananjaya Y. Chandrachud, former Chief Justice of India (CJI). Justice Chandrachud delivered the convocation address and awarded degrees to the graduates, urging them to leverage their education for societal transformation.

Congratulating the 2,795 graduates from various faculties, the 104 Ph.D scholars and the D.Litt. scholar, Justice Chandrachud emphasised the pivotal role of education in shaping not just individual careers, but also the future of the nation and the world.

He said, "Convocation ceremonies like these give me immense happiness as this is the stepping stone for a successful future. Education is the most powerful weapon with which we can change society, nation and the world."

Message of empowerment

He addressed the graduates with a message of empowerment, urging them to take full responsibility for their learning and professional development. He also reassured them that they had received the best environment to seek knowledge, develop skills, and carve out their own destinies.

"You have to assume full responsibility for your learning and for your professional development. You should always abide by the core values of your alma mater and stand by your principles with deep commitment to public service," Justice Chandrachud said.

Justice Chandrachud also highlighted the unique atmosphere of unity in diversity at the JSS AHER campus, referring to it as a microcosm of India. He emphasised that this diversity contributes to the fabric of nation-building and encouraged the graduates to stay focused and ensure that the quality of their learning continues to progress.

Three strengths

Noting the strength of the JSS AHER institution, Justice Chandrachud highlighted three vital qualities: "Strength by heart, strength by mind, and strength by will." He further praised the University's achievements, stating, "The achievements of JSS University speak volumes about the world-class education it provides to its students. You are proud ambassadors of this University, and the institution is very proud of your achievements."

"You aren't the leaders of tomorrow; you are the leaders of today. On your shoulders is placed the task of coming up with the innovations we need to change the world," he said, adding that the university had provided them with the tools and opportunities to do so.

The convocation ceremony also celebrated the academic achievements of 56 meritorious students, who received a total of 75 medals and awards for outstanding performances. The awards and degrees covered a range of disciplines.

Among the dignitaries present at the event were Dr. C.G. Betsurmath, Executive Secretary of JSS Mahavidyapeetha, Dr. B. Suresh, Pro-Chancellor, JSS AHER and Dr. H. Basavanagowdappa, Vice-Chancellor, JSS AHER.

WORD OF THE DAY

Damask

Pronunciation: DAM-usk (noun).
Meaning: Damask refers to a usually shiny, thick fabric (as of linen, cotton, silk, or rayon) made with patterns. The word can also be used as a synonym of Damascus steel, or for a grayish red colour.
Origin: Upon visiting the city of Damascus in 1867, Mark Twain wrote that "To Damascus, years are only moments, decades are only flitting trifles of time. She measures time not by days and months and years, but by the empires she has seen rise and prosper and crumble to ruin. She is a type of immortality." Indeed, the city's Arabic name comes from Dimašqa, a word so ancient that it suggests the origins of the city predate recorded history. The Medieval Latin name for the fabric famously associated with the "pearl of the East," damascus, first entered Middle English as damaske in the 1300s and was later shortened to damask. That term has also been used in the intervening centuries for a type of steel, though neither the fabric nor the steel likely originated there.
Example: "Though damask first emerged in third century BCE, when Chinese weavers used one warp & one weft thread to create opulent, reversible topographies of silk that draped the shoulders of emperors, it gained its moniker when Syrian merchants introduced fabric to European weavers." —Mary Alice Russell & Tracey Minkin, Veranda.com, 19 Oct. 2023

THE ODD WORD

Decastich

Ten-line poem.

PHRASE OF THE DAY

Doozy

Meaning: The phrase 'Doozy' is used to indicate that something is an extraordinary example of its kind; very good, bad, severe, big, etc.
Origin: While there are a few theories about the origin of the term 'Doozy,' which is also spelled 'Doozie,' most etymologists agree that the word is a play on the name of a common flower, the daisy. The word 'daisy' was once English slang for something that was of particular excellence, and many examples can be seen in print. One of the best is from Thomas Chandler Haliburton's 1836 The Clockmaker: "I raised a four year old colt once, half blood, a perfect picture of a horse, and a genuine clipper, could gallop like the wind; a real daisy, a perfect doll, had an eye like a weasel, and nostrils like Commodore Rodgers's speakin' trumpet."
Example: "That car crash was a doozy."
